Career Objective —

Curious and adaptable Computer Science student passionate about building impactful technology solutions. Seeking opportunities to apply my skills in software development while continuous learning and contribute to innovative projects.

Education

Bansal Institute of Science and Technology, Kokta Campus, Bhopal (BIST) **2022-2026**
Bachelor of Technology in Computer Science Engineering *CGPA: 8.71*

Imperial Public School, Khirkiya, District-Harda, M.P.
Class XII (2021-2022) *Marks: 86.2%*
Class X (2019-2020) *Marks: 95.67%*

Skills & Interest

Frontend:- HTML, CSS, JavaScript, React.js.
Backend:- Basics of MongoDB.
Languages:- C++, SQL.
Soft Skills:- Teamwork, Adaptability, Time Management.
Academic Knowledge:- DBMS, OOPs, DSA, OS.
Tools:- Github, VS Code, Figma

Experience

Celebal Technologies **May 19- July 20 (2025)**
React.js Intern
- Developed responsive and dynamic web interfaces using **React.js** and **JavaScript.**
- Implemented reusable components and optimized frontend performance for better UX.
- Integrated APIs and managed state using **React Hooks** and **Context API**.
- Collaborated with backend teams to ensure smooth data flow and UI consistency.

Projects

Video Annotation Platform **Apr 2025 – Jun 2025**
Technology Used:- CSS, JavaScript, React.js, React Router.
My Role:- Full Stack Developer.
- Designed and Developed an intuitive admin dashboard to manage and upload coding course content seamlessly.
- Enabled users to purchase, assess, and interact with video-based coding courses and assessments.
- Personalized user experience through adaptive learning paths and real-time feedback mechanism.
- Implemented video annotation and tracking features for better engagement and progress monitoring.

Skill-to-Project Generator Platform **Apr 2024 – May 2024**
Technology Used:- HTML, CSS, JavaScript.
My Role:- Frontend Developer.
- Developed a platform that suggests project ideas based on user skill and experience level.
- Helped learners convert theoretical skills into practical projects.
- Implemented skill-based filtering to generate relevant project suggestions dynamically.
- Implemented interactive UI to enhance user engagement.

Certifications

SQL & Problem Solving Certification - HackerRank
JavaScript Essential Certification – Cisco Networking Academy
Frontend Certification – Infosys Springboard
AI for Entrepreneurship – Reliance Foundation
